

COPPELL WRESTLING SUMMER CAMP GIRLS SCHEDULE 2010

Coppell All-American Wrestling Camp with NCAA All-American Kyle Terry June 14-17

- ❖ This is the ninth year of the Coppell All-American Wrestling Camp. As soon as the NCAA tournament was over, I knew that Kyle was the clinician we wanted. He is just finishing his college career and he will show us some modern technique and training principles. He is an energetic and exciting clinician. This is a great camp. The material we work on will be the basis for next year's technique. This camp is open to wrestlers of all levels and we would like for all of our wrestlers to attend this camp. This is top quality instruction at our facility. This same camp would cost over \$300.00 at a college location. Coppell High School wrestlers will attend the ELITE camp at no extra charge. The cost is \$100 and only \$90 if turned in before May 14th. ***Make checks payable to Coppell All-American.***

Coppell All-American Lady Elite Tentative Date: June 18-21

- ❖ We are currently in discussion with a member of the 2008 Ladies Olympic Wrestling team to do an exclusive camp at Coppell. We hope to have the details finalized soon.

There are many other camp opportunities. We encourage you to participate in as much wrestling as possible. Listed are some camp options.

***Women's Olympic Camp - June 14-17
Dallas Dynamite Camps - various dates.***
