

Coppell Wrestling Booster Club

WELCOME FROM THE PRESIDENT

Greetings from the Coppell Wrestling Booster Club!

The new school year is under way and wrestling season is just around the corner. Congratulations to the coaches, athletes, and parents on another successful season last year. Our “Decade of Excellence” season was capped off with the team defending their District Championship, several individual Regional Champions were crowned, and four wrestlers earned All-State honors.

The success of the program is growing in overall results and participation. The coaches have already indicated there are more wrestlers in the program than ever before. To keep such a high level of success requires a strong support group.

The Booster Club is non-profit 501c3 organization with the sole purpose of supporting the coaching staff in accomplishing their goals. We strive to continue the level of excellence that is a tradition with the Coppell Wrestling program. In doing so, requires financial contributions, sponsors, and volunteers to support the overall program.

Behind every GREAT team is a GREAT booster program. I am proud to say the Boosters continue to excel every year and provide much needed resources to support the program. Examples include fund-raising activities, working concession stands, assisting with tournaments, spirit wear, media contacts, photography, hospitality rooms, end of year banquet, and more.

As you can imagine, we need your help. There are many ways to be involved and we encourage you to do your part to help make the Wrestling Program the best it can be! We look for you to attend the annual “Picnic in the Park” this Saturday, October 4, at Andy Brown Park (East) Pavilion next to the Recreation/Aquatic Center to meet the Coaching staff and familiarize yourself with the program. The actual Booster Membership drive will occur during the Coaches/Parent Meeting scheduled for November 17 at CHS.

There are many new Board Members and Booster Officers this year who welcome your ideas and suggestions. Be sure and check the website www.coppellwrestling.net frequently for regular updates. I look forward to another great year as we work together in support of Coppell Wrestling.

See you soon.

Kevin Richardson, President
Coppell Wrestling Booster Club
